

**REMARKS**

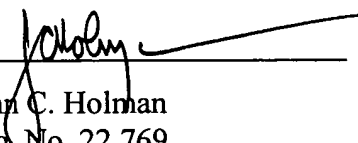

This is a full and complete response to the outstanding restriction requirement. Concurrent herewith an Extension of Time is filed.

The Examiner has restricted the claims as Group I, claims 1-13 drawn to a hollow plastic article and Group II, claims 14-17 drawn to a process for manufacturing a hollow plastic article. The applicant herewith elects to continue prosecution on the claims of Group I, namely claims 1-13. This election is made without traverse.

The non-elected claims are retained in this application pending decision by the applicant to file a divisional application.

Early and favorable action on the merits of the elected claims is courteously awaited.

Respectfully submitted,  
JACOBSON HOLMAN PLLC
